5th Ruth Watt  
5th Carly Wilson  
8th Ken Watt  
9th Lester Watt  
10th Daniel Brown  
14th Les Waters  
14th Gus McColl  
15th Cherie Robinson  
19th David Barr  
22nd Jessica Rose Cooper  
24th Charlie Bryant  
24th Patrick Fisher  
24th Tristan Stonestreet  
25th Courtney Taylor

## The Grenfell Record and Lachlan District Advertiser Thursday 14 February 1924 page 2

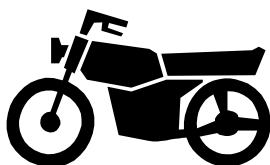

A five roomed cottage, owned by Mr. William Hodges, and tenanted by Mr. W. Maxwell, was totally destroyed by fire on Friday morning. Mr. Maxwell rose about 5 a.m., lit a fire, and proceeded to work ; but had not gone far when to his dismay he noticed that the house was enveloped in flames.

Rushing back to the house he succeeded in saving the machine, a sulky in a shed near the kitchen, and a mattress. The furniture and house are both partly covered by insurance, but the loss of clothes, etc., will be much felt by the Maxwell family. Fortunately Mrs. Maxwell and the children were away at the time, visiting her sister at Bumbaldry. The sympathy of the community is extended to Mr and Mrs Maxwell and family in their great loss.

Can anyone tell me what "the machine" mentioned in the article above would be? Something so common 90 years ago that everyone knew what it was...

Lindsay

The school P&C would like to thank all those who helped organise the morning tea at landra on Sat 31st Oct, for the 80 motorcycle riders from Sydney.

A big thank you to all those who came together to celebrate the life of our dad, Cedric Watt. It reinforced to us what a wonderful community Greenethorpe is.

David Watt, on behalf of Cedric's children and their partners, and his 25 grandchildren.

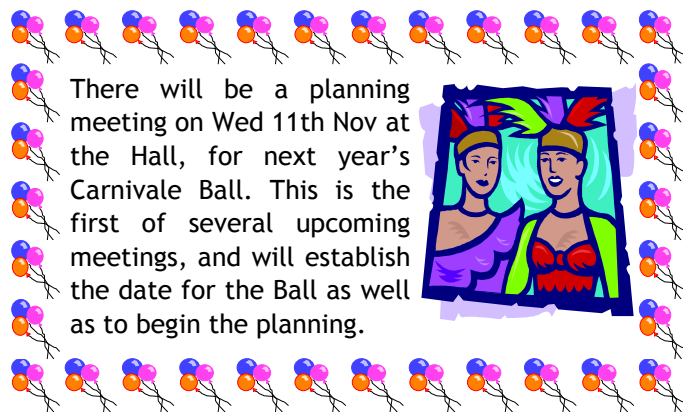

The Drum Muster held on 10th September, collected 2172 containers. From this, the Hall received payment of \$718.25. The Drum Musters are a good, regular source of income for the Hall.

Greenethorpe's museum was packed up last Monday, and stored away in the old CWA Hall. Thanks to those who came along and helped on the morning.

We are currently investigating alternative venues for the museum.

Jude Bryant

There will be a planning meeting on Wed 11th Nov at the Hall, for next year's Carnivale Ball. This is the first of several upcoming meetings, and will establish the date for the Ball as well as to begin the planning.

Peter Grossman, formerly of Greenethorpe, has been compiling a book of those who are listed on (or are missing from) the Honour Roll in the Greenethorpe Hall. A copy of this is to be donated to the Hall Committee. Peter has investigated and discovered several errors on the Roll, ranging from spelling mistakes to complete omissions.

Peter has also just published a photographic history of the main street of Grenfell.

## GREENETHORPE

(From our Correspondent.)

THE portions of Iandra Estate as advertised for sale in the hall at Greenethorpe, to-day were offered, but none were sold at auction. Though there was a good attendance (about 200) bidding was very dull. Land to the value of about £15,000 was disposed of later by private sale.

Mr Jas. McQuillen has leased the Shamrock Hotel to Mr Edwards, who takes the business over on September 1st.

## WEDDINGS.

O'BRIEN—CONNELL.

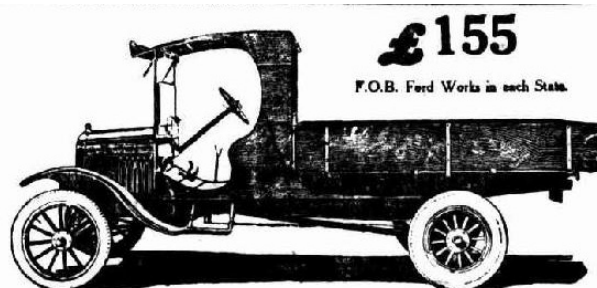

Miss Annie Connell, daughter of Mr. M. J. Connell, of Moorilla, Grenfell road, Young, and Mr. Jas. Ernest O'Brien, son of Mr. J. A. O'Brien, of Greenethorpe, were married in St. Mary's Church, Young, on Tuesday last by Very Rev. Dean Hennessy. There was a large congregation to witness the ceremony, including visitors from Greenethorpe, Bulla Creek, and other places. The bride was given away by her father. She was attended by the bridegroom's sister, Nurse E. O'Brien, of Adelaide. The bridegroom's brother Bert, also of Adelaide, acted as best man. After the ceremony the wedding breakfast was served at the home of the bride's parents, after which they left on a honeymoon tour. Mr. and Mrs. O'Brien will reside at Greenethorpe.

There is a possibility that the federal government's Green Army project may be offered in Greenethorpe next year.

The Green Army is open to 17-25 year olds who are interested in environmental, heritage and community work in the district. Participants are paid \$15 per hour for thirty hours per week for 22 weeks. Projects may include community facility maintenance, tree planting, bush regeneration, wetland development and projects developed in conjunction with local farmers, residents & Skillset Bathurst (Green Army provider).

More information is available on Skillset's website - [www.skillset.com.au](http://www.skillset.com.au)
