History of Greenethorpe book project

Many of you will have seen Peter Grossman's book on Grenfell at the Post Office.

He is now working on a book on the history of Greenethorpe from 1900 to 2000, to contain both photos and written articles.

Your help is sought in providing information and photos for the book. Peter is looking for original documents and photos, which will be scanned or photographed and returned to you. He will be coming up in late September/early October to meet people regarding the book. This will allow him to take photos of anything people wish to include in the book and he will be able to photograph your documents and old photos at this time.

You can either phone Pete (0437 392 093), Stumpy (0427 436 221 I), Grant Holland (0429 796 889) or Ian McColl (0427 018 780) or drop your information and photos into the Post Office where they will be copied and forwarded to Peter.

We hope that you will get on board with this project and help to make the publication a comprehensive record of Greenethorpe's history.

Earn and Learn

The Greenethorpe Public School's staff and P&C members would like to thank the community for their great support of the Woolies Earn and Learn stickers promotion. The school received a record number of stickers (close to 6000!) and the kids having been excitedly making their selections from the catalogues.
