Who said that "mad dogs and Englishmen" are the only ones to venture onto the Cricket pitch in 40°C temperatures? 37°C at 8.30am did not deter the Northern Tillers and Southern Silo Busters from entering the fray for the Doug Allen memorial cricket match. Many iced drinks and watermelon chunks later the Silo Busters were successful in holding aloft the Railway Line Trophy. A young and enthusiastic Zac Butt was the Player of the Match (an Allen Sydney connection) Well done Zac. The game was followed by the usual B-B-Q (thanks to the chefs, Merle Bob and Dave) and catch-up time for the locals and visitors alike. Many travelled from Canberra, Sydney, Young and Grenfell. The Christmas lights competition was won by newcomer to Greenethorpe, Neil Carlton, with Plan B looking very festive. The unveiling of the "Weighbridge Table" was a highlight of the day. The weighbridge was donated to the Community by the Greenethorpe Rural Producers Co-Op (now non-operational). The

table structure was donated and made by Andrew and Patrick McColl with support and guidance by Ian McColl. It is a work of art and a wonderful addition to the village environs. Thanks go to the Weddin Council for their monetary support for the lights competition and contribution to catering costs for the B-B-Q. Thankyou to everyone who attended and helped in any way on the 26th.

**Calling ANZAC Day Organiser**

Looking for someone to coordinate the 2019 ANZAC Day ceremony.

Most things will be in place and there is always lots of help available. Also, if anyone would like to do a tribute to a family member or one of the names on the Honour board in the future could you please let me know.

**Greenethorpe P&C Association** is looking for someone to audit their books in February. If you can spare a few hours please contact Linda, details below.

Some of you already know about my car accident, but I just thought I'd let everyone know what happened. Back in May I was driving to Cowra early one Thursday morning, in heavy fog. I'd only been in Harden a couple of months, so I wasn't familiar with the roads. I went straight through a T-intersection and dropped about 3m into a paddock. This drop fractured a vertebra in the base of my spine, which luckily was the only injury I received. I was very thankful that I didn't hit anyone else. The ute was written off, and it has taken several months for me to recover, including physio appointments and exercises, and lots of walking!
