We have been overwhelmed by the support for this event from local music lovers. We were limited by our Liquor license to 200 guests and the event sold out in record time. We had a wait list of over 50 people who missed out on tickets. The evening was a huge success. All the performers were outstanding, and all guests had a great evening. We would like to thank

Just a few of our wonderful volunteers

### Greenethorpe's "Rocks Till It Rains" A Night to Remember

The Greenethorpe community certainly put on a show on Saturday 14<sup>th</sup> March 2020, celebrating together at Greenethorpe's "Rock Till It Rains".

The sold out, all ages music event featured performances by Lusi Austin (Cowra), Jesse and Axl (Grenfell), Josie Laver (Cowra), Weak Cordial (Grenfell), Lisa Flanagan (Cowra), and Wishful Thinking (Greenethorpe).

Four young performers from the district also performed as the warm up act – vocalist Charlie Allen (Henry Lawson High School), drummer Louis Johnson (Cowra High School), vocalist Amelia Squires (Henry Lawson High School) and musician Tennyson Neville (Young High School).

everyone who attended, and most importantly our sponsors, Conron Stockcrete, Elders, NSW Farmers, Tyrrell's Wines and WFI. We have had lots of request for the next music event already!

The Event committee would like to thank everyone who helped set up, run and clean up for the event. These events do not happen without your practical hands on support. Special mention to Bart and the Conron Stockcrete crew who were dragged out of the Pub on the Friday afternoon to assist with erecting the massive marquee that came with no instructions. Thank you to the Greenethorpe P & C for their catering on the night and to Barbara Stonestreet and locals who ran the bar on the night. Lisa Flanagan did a wonderful job as MC, providing all of her equipment for the outdoor stage and supporting the young performers as well as entertaining the crowd with some of her own silky tunes. Extra special mention to Tony

*Barrington for providing all of the professional sound equipment and sound management for the Acts on the main stage. He ensured that they all sounded fantastic. He also displayed some amazing guitar skills with his band "Wishful Thinking". Thanks also to Matt Johnson from Morongla who volunteered many hours of labour in assisting Tony with his sound equipment.*

*With people travelling from the local towns of Cowra, Grenfell, and Young, and some people making the journey from Sydney and beyond, the Greenethorpe Soldiers' Memorial Hall was packed and certainly rocked until the late hours of the evening. Now let's hope that all that dancing has meant that the rain is coming our way....*

*Local performers Charlie Allen of Greenethorpe & Tennyson Neville of Murringo*

*"Weak Cordial" with Acting Principal Brent Cartwright on guitar, vocals and some pretty cool harmonica*

### ***Dusty Rams***

*I'm sure everyone has been dying to know how our own group of locals and expats went on their mental health/rugby crusade to the Green football field and golden beach of Kiama last month. Following our intensive 6 weeks of training at the oasis that is the Greenethorpe Public School oval, with Pat Fisher winning the training award for not missing a session, we*

*boarded the bus on the last weekend of February and arrived to feel the sea breeze on our faces.*

*After an early night we were fresh for our first game at Sam against Albury. It was 20 years since Greenethorpe had last entered a team and we had 3 of those original players back again. Unfortunately due to the Coronavirus outbreak in China our Rams Jerseys had not turned up on time. After a few quick phone calls a set of ACT Brumbies Jerseys were borrowed. I must admit they were a little more of an "Athletic fit" than required but we looked a lot more professional than we felt. We raced out of the blocks against Albury with Mick Millar scoring straight away. With a few young fast players and many old wily ones we held our own to narrowly go down 14-12.*

*Next up was the Grenfell Panthers. While they proved too good for us the last few minutes were some of the most enjoyable of my career. Sam Taylor from Caragabal came on for his first game ever. He scored a try and they to top it off kicked the conversion. The crowd went crazy. A big thank you to Mark Bryant for organizing it for him.*

*Last up was the home team Kiama. By this stage the young guns of Matt Cashen and Mick Millar had broken down so luckily we were able to call upon another ex-local in Matt Randall to help us out. While we went out with a bang by scoring a couple of tries Kiama were too strong and we went down. Special mention to Tom English for his commitment with a magnificent length of the field chase to nearly stop a try!*

*In the end a fantastic weekend was had by all. Nothing takes your mind off the drought better than a game of footy and a swim at the beach. A big thank you once again to our sponsors Felix Rams and The Drought Ride for making it a more affordable weekend for all.*

*Due to the success of the project we will definitely go again next year and not wait another 20! We need to go back and find Issac's car keys anyway!*

**All sporting events  
have been cancelled,  
however live boxing can  
still be seen at Woolies,  
Coles and Aldi in the  
toilet paper aisle.**

### **GSM HALL NEWS**

*How lucky we were with the timing of Rock Till'  
It Rains.*

*Thanks to the Weddin Shire for their support,  
advertising and supply of Wheelie Bins (delivery  
and collection).*

*The Outdoor memorial is making slow progress,  
but progress nevertheless. See photo of the "LEST  
WE FORGET" plaque to be embedded in  
the paving at the Hall entrance. Some good,  
steady rain over the next few months will make  
the world of  
difference!!!!!!!*

**PLEASE EVERYONE - KEEP SAFE - KEEP YOUR  
PHYSICAL DISTANCE BUT KEEP IN TOUCH  
WITH ONE ANOTHER.**

***'We're Going on a Bear Hunt' and it's going  
viral!!***

*In towns, cities and villages around the world  
teddy bears (socially distanced of course) are  
appearing in people's windows, on rooves, up  
trees and on gate posts. Children are searching  
for these bears on their daily exercise walks and  
it is providing excitement and distraction for  
them in a time often filled with boredom and  
anxiety. It would be wonderful to spot some  
teddies in the Greenethorpe area so please get on  
board if you're able.*
