Minutes from meeting Thursday 7th April 2022 read. Moved Jill Allen 2nd Merle Bryer that they be accepted and that matters arising be dealt with in General Business. Passed

Treasurer's Report: Funds available \$9840.03.. Moved Corrie Bryant 2nd Elizabeth Watt. Carried

Correspondence: tabled and matters arising be moved to General Business

General Business: Centenary Hall celebrations discussed. Two areas, 1. The Cook Book Launch and /or a major fundraising event. General feeling that a daytime community event be held, including the Book Launch, BBQ, History display and DVDs in Hall/History room etc. It was felt by some that a major evening Fund Raising Dinner (?) would involve too much work and organisation for the small number of helpers. Funds are in short supply, so tentative dates were set aside for an evening fundraising event of some description., being 8th or 15th October. # The firm date for the Community day was set for 20th August 2022 # Jane Tyrrell sent a letter to the meeting with some ideas for the Fundraiser and this was discussed. Thankyou Jane

Cliff Dykes still to make contact re the Village Photograph
Drum Muster – to stay as is with training of volunteers
Hall repairs discussed, Mobile Pre School input

Community Grant - the criteria have changed and we need to re-submit the form?? Jill to contact Audrey (GM's secretary) to see what we need to do. The whole process is confused and convoluted! Acting GM for the Weddin Council is Max Kershaw. It seems we need to put in quotes for Hall repairs and toilet path. Mittons have been contacted for concrete and Max Makin for general Hall repairs.
