Grenfell Food Hall

On Friday the 15th of July, community members local businesses teamed up with Grenfell Food Hall to provide a brunch for regular attendees and to showcase the amazing community service available in our area to newcomers. Grenfell Food Hall volunteers dedicate multiple hours of their time each week to work on purchasing and distributing food and household products at reduced prices to our community. In these uncertain times, Grenfell Food Hall not only offers a diverse array of items at prices that lower the cost of living, but also provide an environment for community members to mingle and connect over a cup of coffee or tea and a bite to eat.

A big thank you also to our contributors for the Kindness Brunch: Mick's Local Bakery, Cowra & Grenfell Meals on Wheels, and Unwind Cafe, for donating sweet and savory items to make the morning extra special. Of course a huge thanks also to community members who shared delicious dishes from their own kitchen.

Our hope is that more people come to know of this wonderful volunteer-run service. We all benefit from the effort that the workers at Grenfell Food Hall contribute to the Weddin community every week, not just from what we stand to gain pantry-wise, but also in terms of example: stay KIND.

If you haven't attended Food Hall yet and would like to see what it's all about, please come along on Fridays, 8am-11am, Presbyterian Church Hall,
