## Greenethorpe.

6 June 1921

**THE building of the Soldiers' Memorial Hall is to be started on June 4th. Much of the work such as providing the materials for preliminary operations will be done voluntarily, thus adding to the value of the subscriptions of those doing this work. The plan of the building, which is to be of brick, provides for a floor-space of 60ft. by 30ft., with a 13ft. stage. Two ante rooms each 15ft. by 14ft., will provide accommodation at the rear for the School of Arts and a committee room. Mr. R. K. Dempster has gladly consented to lay the foundation stone, which will bear the names of those who enlisted in this district for service at the great war and paid the supreme sacrifice. The committee, under the presidency of Mr. J. Fisher, with Mr. Daley as hon. secretary, have spared no effort to make a complete success of the dual scheme. The residents of the district generally are assisting in the movement, and there is no doubt that others in sympathy will also respond. Mr. C. H. Freudenstein has generously donated the two allotments on which the hall is to be built.**

## Around and About Facebook Page

We have set up a facebook page to mirror the AAG Newsletter and to enable advertisers to post notices and items that didn't make it into the newsletter by publication time.

Everyone is welcome to join this group and to post items that are relevant for Greenethorpe and the surrounding community.

As most people now have smart phones and computers, we are considering ending the paper version of the newsletter once the facebook page is established, so no more sponsorship will be required. Please let us know if you have objections to this idea.

## Greenethorpe SMH Centenary

You can't help but be inspired! ....by those community and for some, past family members, who had the foresight and endeavour to build our Hall 100 years ago! An admirable feat. It was through the generosity of land being donated and public subscription of funds that our Community Hall stands today. In the past it was a busy venue for games nights, dances, celebrations and film nights. It continues to be a hub of our community where concerts, balls, public meetings, exercise classes, school functions, preschool care, private gatherings, to name a few, take place.

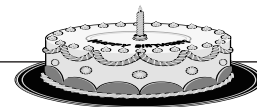

Come help celebrate our Community Hall's Centenary on the 8th of October!
