Calling For Greenethorpe Citizen of 2022 (Junior and Senior) Nominations.

Please think back to the past year, and if you would like to recognise an individual member of our community for their service, nominations are due in by the 15th January. Nominations can be sent to the following email- lynnewatt60@gmail.com or left with Kieran at the PO. As in tradition, these awards will be presented at our Australia Day Gathering on the 26th of January.

On the 25th of December, Diana Fisher sadly passed away. Diana was a well-known and loved Greenethorpe resident of 60 plus years. She lived with her husband Graham at their property Glendale, where they brought up their children Grant, Glenda and Johnny. Diana had such a calm and cheerful manner and was always an involved and enthusiastic member of our community. She will be sadly missed by her loving family and all that knew her.

A Memorial Service will be held at the Soldier's Memorial Hall on Tuesday 3rd January at 10am. Sandwiches will be available at the hall after the service, although if you would like to bring a slice/ cake you are most welcome to do so.
