Editorial

There are no submissions currently for this month's AAG Newsletter so I will only be publishing the editorial and the birthdays for the month, and putting anything extra that turns up on the facebook page.

I've had some feedback regarding the paper version of the newsletter as there seems to be some who still prefer that, as well as those who don't have easy access to the internet/facebook. I also apologize for not posting the electronic version last month, it slipped my mind.

As there have been no more donations for the production of the newsletter, I will only print a small quantity for those who prefer the paper version.

If anyone would like to take over the production of the newsletter and facebook page, please let me know.

Phil Weyers
