## NEWS FROM THE P & C

We were delighted to see so many amazing cakes and so many locals turn up for our annual Easter Cake Auction. We managed to raise a total of \$1930.75 for the P&C.

The star cake of the evening was a beautiful cake made by Jill Allen and decorated by Danielle Allen. It sold to the Amedroz family for \$250.

Thank you to everyone who contributed to making the evening once again a massive success. Whether you purchased a delicious hot meat and gravy roll, baked a cake, bought a cake or just came along to enjoy the evening, the Greenethorpe Public School P&C thank you.

The winning entry. Peter Rabbit strikes again.

### Education for buying on credit

Buying on credit can be a practical and sensible means of obtaining necessary goods; but there are many people who use the system foolishly, and foolish spending has become a widespread social problem.

In Morning Call, tomorrow, January 6, Marjorie Biggins will look at the current situation, in which thousands of people in every part of Australia buy on credit — mainly cars, household appliances and furniture.

But some of them soon find themselves struggling to pay for goods they cannot afford, or have to face seeing them repossessed.

Marjorie Biggins looks at this problem in discussion with a debt collector, social workers and people who are in debt.

Morning Call is broadcast over the ABC Regional Stations at 10.30 am.

## GREENETHORPE PUBLIC SCHOOL NEWS

The children were very successful at the recent swimming carnival in Cowra. Special congratulations go to Izzy and Gabe. Izzy won the senior girl champion and Gabe won the 11 year old boys champion. All the other students participated in as many races as they could. Many of the students participated in relay races against kids older than them, to make sure we had a team.

With all our participation and winning points, Greenethorpe won the Small School Handicap P6 Trophy. Greenethorpe PS had not won this trophy since 2010. Well done kids!

Next term we will be hosting the Athletics carnival in Cowra so we are planning on giving the kids some practise in these events during school sport. We know that the students will do well at this carnival and we may even need to clear another spot on the trophy shelf.

I would like to say a big thank you to all the parents and helpers that were able to take children to the swimming carnival in Cowra. This is a big ask, with other commitments such as work and home duties.
