## **SOLDIERS MEMORIAL HALL**

A meeting of people who are interested in the plans and organisation for the upcoming 100-year festivities was held on Thursday 22nd July.

Unfortunately do to ever changing Covid numbers and restrictions the Hall Committee have decided to cancel the celebrations.

We will still unveil the replica foundation stone at the front of the hall on the 18th of September 2021. A decision will be made closer to the event how many people can attend this event depending on the restrictions at that time

A general Hall meeting followed the Planning meeting. Ongoing meetings with the Weddin council regarding funding for Hall maintenance and Village matters took up most of the time.

The next meetings will be on Thursday 19th August - 5.00pm for the 100 year planning and 6.00 pm for the general Hall meeting.

ALL WELCOME!

Jill Allen  
Secretary Hall Committee

## **Rain, Rain and MORE Rain**

Well we really are "Green-thorpe" at the moment, with around 100mm of rain falling during July. That's about 4 inches on the old scale.

A couple of big frosts and sunny days broke up the gloom, but they were few and far between. Thanks to Danielle Allen for the following pics of Frost on the G.

### A GLIMPSE OF THE PAST

*Bank of New South Wales, Greenethorpe, c.1911*

The original bank building at 2 Edward Square. The gateway on the right of the photo is my current drive way.

No known date for this photo but it was probably taken in 1936. You can see a man working on the front of the residence, just behind the power pole. The verandah has gone from the old bank, which looks like it is in the process of being demolished.
