Remembrance Day 2020

In the early 1990's Shirley Wills planted a Lone Pine Tree at the Greenethorpe Soldiers' Memorial Hall. The Lone Pine was sourced from original seeds that came back from Gallipoli after WWI.

Shirley retold this story on Remembrance Day this year as she planted another Lone Pine to replace the original, along with her son Chris and great grandchildren, Izzy and Tilly.

Another special day for our community.

GSM Hall News

The turf in the Memorial Garden has had its first haircut. Thankyou to Jim and Corrie Bryant. It is believed the Wills' chooks (the lucky recipients of the grass clippings) are laying green yolked eggs!!

Thankyou to Barbara Stonestreet for the extra mowing she does around the History Room and Truck School

Harvest is in full swing and the Council has provided some lovely Christmas decorations to add some extra festive spirit to the village so everyone is smiling!

Greenethorpe Website

Our Greenethorpe website is taking on a fresh, new look. It will be migrating soon to Weebly, a more user-friendly web builder and better suited for mobile phone viewing.

There are a few bits and pieces that have to be reviewed before the site can go live.

Some wild stormy weather swept through Greenethorpe and surrounds on the afternoon of the first day of Summer. It was gone as quickly as it came and left some damage in its wake including fallen trees, torn down rooves, broken windows and downed power lines. Some residents were left shaken and locals were soon out and about assessing the damage and checking in on their neighbours.

A SAD FAREWELL AND THANKYOU

In June 2017 a new newsletter editor produced her first AAG.

Linda "took over" from Lindsay Swadling as Editor, and what a wonderful replacement she turned out to be. Sadly, the December issue of the "Around and About Greenethorpe" will be Linda's last.

The AAG continues to be a good and important "grape vine" for the Greenethorpe Community and spreads its tendrils far and wide.

Linda has been involved in many aspects of village life - Hall activities, Greenethorpe PS, especially the P&C, gathering news for the AAG and "keeping an eye on" older village residents.

Another hard act to follow. Maybe an AA Ben Lomond "AABL" will become a reality.

A huge "THANKYOU" from the GSMHall committee and the wider Greenethorpe Community.

Thankyou Jill for the kind words above.

Producing the Aag has been a genuinely enjoyable experience. Belinda Mort has kindly offered to continue the newsletter (though she may happily hand it over if there is anyone else interested!) and I look forward to reading future editions and keeping connected with the Greenethorpe Community, Linda.

The AAG needs sponsors!! Please see Belinda Mort at the Post Office
