DOROTHY DAWN GROSSMAN nee Green 21/10/1954 to 12/2/2021

Dorothy's family would like to thank everyone for their kind wishes on the passing of Dorothy. Peter also sends thanks to those who supported and assisted James on the morning of her death. Below is the eulogy presented by James at the funeral.

Mum was 66 years old when she passed away on Friday 12 February 2021 at her home in Greenethorpe. Mum was born at Cowra on the 21 October 1954 the eldest of five children of Charlie and Myrtle Green. After finishing school, Mum had a job as a machinist but only for a short period of time as she had met her future husband Peter and they were married in 1975. Mum was content to be a housewife, mother and eventually grandmother.

The most important thing in Mum's life was her family. Together Mum and Dad had seven children – Sharon, Jason, Michael, Rachel, and Adam, James and Phillip and eight grandchildren; Phillip and I being twins. Mum loved all of us very much. And we loved her very much too.

Although Mum lived a quiet life, she enjoyed hearing about and supporting her children and grand-children's lives through many phone calls. Mum had some great times visiting Rachel, Isaac and grand-children Mitchell, Kirra, Max and Millee, and also when she visited Sharon, Michael and grand-daughter Charlee. She loved to see Michael's daughter Chloe when she would visit Greenethorpe. And she also loved Jason's boys Riley and Mathew. Mum was very proud of all of us.

We love you Mum and you will never be forgotten.

SPOTLIGHT ON LOCAL BUSINESS

Hi everyone,

For the ones that don't know me, my name is Jasmine and I live between Greenethorpe and the Sydney Northern Beaches. I am starting up a business that's coming to town starting this week and this is my story.

Coast to Country Foods is a family owned and operated business. We will be delivering fresh seafood straight from Sydney Fish Markets to your town, it will be picked up and delivered on the same day.

With 10 years' experience in the hospitality industry I have always had a flare for food & beverage. I then moved into the event management industry and managed exhibitions and conferences around Australia for 13 years in which I absolutely loved. I chose to step away from the fast corporate life to become a mother and I have been gifted with two beautiful boys who are like me, mad about fishing, the outdoors and giving back to the people we love.

In recent times, I have found love in the country in more ways than one. One, being my amazing partner who lives in Greenethorpe who keeps me grounded (most of the time) but also the way of country life and the beautiful locals who I have met along the way. So here I am, doing what I love.

The business is opening this week and my first delivery will be Thursday 1 April (Easter Thursday). The service will then continue every fortnight from this date, so the 15th & 29th of April. Orders can be placed online at

www.ocean2countryfoods.com.au

or please email me at

info@coast2countryfoods.com.au

if you wish to place a special order or if you have any questions.

Locations at this stage are Canowindra, Cowra, Grenfell and Greenethorpe. If you live outside these locations but wish to place an order, please email me as I'd be more than happy to help out where I can. Please tell your friends and family who live locally as word of mouth travels much faster and definitely more appreciative.

I hope to meet you soon and I hope my business brings you and your loved ones together with our delicious fresh foods...

BELIEVE IT OR NOT

this image was captured on the Cowra Bridge when Turkey Breeder and Grower, Reuben Armitage Jacobs 'transported' his 3,000 turkeys by foot from one farm to another. The distance covered was some 30 km. It took 3.5 days to travel from "Woorara", along the Canowindra road, across Cowra Bridge over the Lachlan River and then all the way to "Marandoo", Bumbaldry. "Marandoo" is currently the home of George Bishop (on corner of Greenethorpe / Bumbaldry Rd and the Grenfell Rd).

A newspaper article at the time reported that 'The birds were shepherded by six men and four puzzled dogs, and the flock of turkeys responded to the droving just like a mob of sheep'. They also claimed that not a single bird was lost during the march.
