One hundred and twelve positive and determined Australians are now the proud recipients of the prestigious Churchill Fellowship and our Danielle Allen is one of them!!!! The Fellowship motto is "Learn globally Inspire locally". This award offers them the opportunity to meet and work with leaders of influence around the world to gain and exchange knowledge to better themselves, their industry, their community and Australia. Danielle has been offered "an amazing opportunity to learn from my overseas colleagues in the field of domestic and family violence, specifically interagency collaborative management of high risk domestic violence situations". Congratulations Danielle. All the 112 Fellowship recipients have deservedly received this Award. The COVID 19 Pandemic will delay your venture but, when you are able, travel safely.

Could anyone with family that used to attend the Uniting Church let me or Ian McColl or Graham Watt know how the family would feel about the possibility of the sale of our Uniting Church and the purchase of and repair of the Anglican Church for our use. Both the Church and Hall are in need of restoration and repair, the idea would be to restore and renovate the Anglican Church; the Uniting Church and the Hall are both in need of TLC: and clearly St James needs work; both the property trusts would need to develop a plan and there is no rush, it is simply an idea we are putting abroad.
